

**Join our complimentary webinars** covering important issues in perioperative nursing and certification. Hosted by CCI nursing experts, these webinars are highly informative and provide an opportunity to ask questions.

#### WEBINAR TOPICS

### CNOR Trilogy Part 1: Essentials of Certification

July 13 & Oct. 12, 2016 • 7pm ET

Certification validates the quality patient care provided by the nurse committed to professional excellence. Join us to learn more about how earning the CNOR credential can benefit you, your patients, and your workplace. Eligibility requirements and exam prep tips are discussed.

### CNOR Trilogy Part 2: Insider's View

Aug. 10 & Nov. 9, 2016 • 7pm ET

You've made the decision to take the CNOR exam-now what? Join CCI staff as they review study prep materials, discuss successful study strategies, identify the main components of a multiple-choice question, and apply test-taking strategies.

### CNOR Trilogy Part 3: Last Minute Tips

June 8, July 14 & Dec. 14, 2016 • 7pm ET

Don't let taking the CNOR examination be a stressful experience! Join CCI experts as they discuss ways to diminish those pre-test jitters.

### CSSM Certification

July 20, 2016 • 7pm ET

This presentation covers eligibility requirements, application processes and exam preparation tips. The session concludes with Q & A with CCI staff.
